Five steps

1

Sign in

Enter your approved mobile number and the six-digit code sent by text. Accept the current rules when prompted.

2

New request

Choose ride type, date, pickup and arrival times, direction, and approved locations. Submit one date per request.

3

Track status

Pending means submitted.
Acknowledged means under review. Only Confirmed means your trip is scheduled.

4

View details

Review route, timing, driver, vehicle, and messages. Reply in the request conversation if more information is needed.

5

Plans changed?

Open the ride and select Request a change or Request cancellation. Wait until that action is completed.

Before you submit

Complete + accurate

- Read the ride type's advance-notice rule.
- Enter both requested pickup and required-arrival time.
- Use only approved pickup/destination locations.
- Do not include diagnoses or unnecessary medical details.
